

Accommodation and Meal After the Race

Thank you very much for your participation in the Kobo Trail 2025. For those who would like to stay another night after the race, we will arrange accommodation in the Koyasan area.

One night stay at a “shukubo” (lodging provided by a temple) with breakfast (1 person/room) in the Koyasan area:

Domestic Payment: ¥15,000/person (including tax)

Overseas Payment: ¥16,000/person (including tax)

Only 20 rooms available, reservations accepted in order of submission.

※Due to the increasing number of domestic and international tourists, securing a room at a “Shukubo” in the Koyasan area has become more difficult. We strongly recommend booking for a group of two or more, such as friends or family, if possible.

“Bento”, a packed meal for dinner with tea:

Domestic Payment: ¥1,600 (including tax)

Overseas Payment: ¥1,700 (including tax)

- Basically, we will arrange a shukubo in the area around the finishing point of the race. If all 20 rooms are fully booked, alternative arrangements can be made at either another “shukubo” or a regular hotel, with an additional charge.
 - When all the rooms we prepared in advance have been occupied, we will not be able to arrange after-race accommodation.
 - The name of the shukubo you will stay at will be sent to the email address given to us about 2 weeks before the race.
 - Dinner at shukubos is served from 17:30 at the latest. Considering the finishing time of the race, it is impossible for the runners to have dinner at the shukubo. Therefore, we will prepare a bento (a packed meal) for those who order in advance. The bento can be picked up at the finishing point (Saizen-in) from 16:00.
 - You may order only the packed meal without ordering after-race accommodation.
- ※Please note that restaurants around the Koyasan area are for sightseers and most of them close in the early evening. Although there are two convenience stores, food is often sold out before the evening.

Please read the above information and select whether you will (“Yes”) or will not (“No”) need accommodation after the race, and if you will (“Yes”) or will not (“No”) order a packed meal after race on the entry form.

- ※Please pay the fees for the accommodation and the packed meal with the entrance fee. However, as we need to check if accommodation can be arranged at a price of ¥15,000. For those who ordered after-race accommodation, please pay these fees after receiving a confirmation from us. Please make a payment within 4 days after you receive a confirmation from us.
- ※If you would like to share a room with your spouse/friend, please write the name(s) of the person(s) whom would like to share the room with in the "Remarks" section on the entry form.
- ※Only one packed meal can be ordered from the entry form. If you would like to order more than one, please indicate this in the "Remarks" section on the entry form. In this case, please also include the additional packed meal fees in your payment.
